Description

107sqm renovated flat with 2 bedroom is available for RENT in 14 district at Dorozsmai utca 7. The apartment is located in ground floor. The apartment is elegantly luxury furnished and faces street.

Its excellent location and good transport options ensure a quick (approx. 15-minute) commute between the city center and the apartment.

The building is located near Városliget, opposite the Hungarian Academy of Dance, in Herminamez?, which is also referred to as Zuglós Pasarét due to its patinated buildings and tree-filled surroundings. I recommend it to tenants who like silence, tranquility, and green surroundings, but also want to live close to the city center, as the transportation is also excellent.

This apartment is completely renovated, mechanized, fully meets the needs of a family. The huge windows of the living room face the street (N-W), the light, high interior is dominated by elegant, darker colors. The fireplace and tastefully chosen additional furniture harmonize perfectly with the modern, sophisticated style of the apartment. The working room opens from the living room. The decorative quiet bedroom's windows are overlooking the inner courtyard, and open from the dressing room. The third room can be furnished as a children's room. Parking in front of the house, in the street.

We request a notary document, at the tenant's expense. The min. rental period is 1 year.
